People For
A Just Society

www.mahindrauniversity.edu.in

Mahindra University's School of Law is founded on the thought of justice, equality and service to all sections of society. With the changing needs in society, Law has become an important department that requires more focus and thought.

The curriculum offers five years of integrated undergraduate programmes like Bachelor of Arts and Bachelor of Law (BA. LL.B).Hons and Bachelor of Business Administration and Bachelor of Law (BBA. LL.B) Hons, Bachelor of Law (LL.B) Hons.* and Ph.D. in Law to cater to varied needs of the profession with distinguished faculty.

Only 60 students are admitted per class which is strictly on a merit basis. The closed student-teacher interaction helps every student to get undivided attention from the teacher. It shares expertise in imparting quality legal education through competent and well-qualified teaching staff, exceptional research culture, development and integration through moot courts in the first year itself and the like.

It provides a plethora of opportunities to its students which help them to nurture their talents as well as hone their skills thereby making them one of the best in the world.

It is enclosed with state of art infrastructure catering to every need and requirement of its students. Located in Bahadurpally away from the hustle and bustle of the city, the sprawling green campus is situated on a land of 126 acres comprising of all kinds of amenities for the students.

The school of Law aspires to see its students work in various corporate houses, judiciary and leading law firms at the end of its 5 years integrated course.

Dr. Madabhushi Sridhar **Dean and Professor**

Former Professor and Registrar, NALSAR, Hyderabad

Former Central Information Commissioner, Government of India

An Acclaimed Academician and a Prolific Author of outstanding publications on Human Rights, Law and Journalism

BA., LL.B. (Hons.)

The Bachelor of Arts and Bachelor of Law (Honors) is a 5 years integrated program with a multi-disciplinary approach to cater to the requirement of the field of law including litigation, judiciary, academia, corporate legal consultation, immigration, public international law and private international law, policy engagement et cetera. The students of this integrated course will also learn the subjects of liberal arts such as English, History, Sociology, Political Science, besides Law & Economics. This program provides a strong background to step into Indian Administrative Services too.

BBA., LL.B. (Hons.)

The Bachelor of Business Administration and Bachelor of Law (Honors) is a 5 years integrated program to focus on interrelationship of Management Studies and Law. Besides, the Fundamentals of Management, Financial Accounting, Effective Communication, and Computer Application are some of the main subjects of the business part of the BBA LLB (H) Program, while the Law Subjects include Law of Torts, Constitutional law, Criminal law, Civil wrongs, Administrative law, Company law, Property law, Family law, Alternate Dispute Resolution, and so on.

LLB (Hons.)*

Bachelor of Law- LLB (Honors) is a 3 years program that familiarizes students intimately with the teaching methodologies and legal research of both national and international characters keeping in view the different types of legal systems, especially in Common Law traditions as well as Civil Law system as practiced in India. It enables students capable of analysing and examining the economic, cultural and political impact of enacted laws. The course fosters study and research into legal theory and values; examines the relationship between theory and practice; and enhance opportunities for scholarly research, writing, and publication.

Ph.D. in Law

A Ph.D. in law seeks to explore the ultimate quest for knowledge and research, i.e. what is the reason and effect of a legal provision, etc. This doctoral program aims to make the post graduate legal scholars, for exploring the multi-dimensional and inter-disciplinary research processes of legal subjects. So that they may attain their full potentials, in their chosen field of academics and contribute their accumulated knowledge, in their respective research domain.

Being a resilient research bearing organization, Mahindra University, School of Law is launching a Full-Time Ph.D. Program from the Academic Session 2022. The young scholars will be offered umpteen pioneering avenues, for achieving their ultimate goals in higher research and academics.

PROGRAMME OPPORTUNITIES

SOL will open a plethora of career opportunities for students to explore and conquer. Legal education at the School will provide education for individuals in the principles and practices of law, that facilitate creation of a new generation of empowered lawyers with social vision.
