

Step1: Go to the following url

<https://eazypay.icicibank.com/homePage>

The screenshot shows the eazypay website homepage. At the top, there is a navigation bar with the eazypay logo and links for Home, About Us, FAQs, and Contact Us. Below the navigation bar, the main heading is "Search, View & Pay" with the sub-heading "Pay bills and invoices from any bank account or any card". A descriptive paragraph explains that eazypay allows users to pay bills conveniently for education, housing, and society maintenance. Below this, there are three buttons: "Make Payment", "Transaction Status", and "Merchant Login". The "Make Payment" button is highlighted. Underneath, there is a search section with "Search By:" options for "Institution Name" (selected) and "Your Mobile Number". A text input field is labeled "Enter name of the Institution you wish to pay." and contains the placeholder text "Enter Institution name" with a "Go" button to its right. Below the input field, there is a list of examples: "e.g. School, College, Housing Society etc.". To the right of the search section, there is an image of a woman holding a coffee cup with a speech bubble that says "Paying bills is as easy as making my coffee". At the bottom of the search section, there are links for "View By Category" and "Registration".

Step2: Enter Institution name as “MAHINDRA UNIVERSITY” select from drop down. Click Go.

This screenshot is identical to the previous one, but the text input field in the search section now contains "MAHINDRA UNIVERSITY". The "Go" button remains to the right of the input field. The rest of the page layout, including the navigation bar, heading, and descriptive text, is the same as in the first screenshot.
