ICASSP SATELLITE EVENT

Keynote lectures and hands-on workshop by distinguished lecturers and domain experts in Signal Processing

Organized by Department of ECE, ECSoE, Mahindra University

Prof. B. Yegnanarayana, Professor (retired), IIT Madras

- Renowned scientist and academician in the area of Speech, Image, and Signal processing, Machine Learning and Pattern recognition.
- Worked in premier institutes in India and abroad – IIT Madras; IIIT Hyderabad; CSTR-Edinburgh (UK); Carnegie Melon University (USA); University of Bremen (Germany), Eindoven Tech. University (Netherlands) and many others.
- Life Fellow – IEEE; Fellow – INAE, INSA, IASc and NASI.
- Distinguished alumnus awardee from IISc.

Prof. K. Sreenivasa Rao, IIT Kharagpur

- Renowned scientist and academician in the area of Image, Speech & Signal Processing, AI, Machine Learning and Pattern recognition.
- Associate Editor, Circuits, Systems and Signal Processing (CSSP) Journal.
- Chairman, IEEE Signal Processing Society Chapter, IIT Kharagpur, 2022-2023

Workshop (Training) on research problem on signal processing:

Resource Person:
Prof. V. Anil Kumar, IIIT Hyderabad

9th Nov, 2024 @ 8:45 AM - 4:30 PM   **Mahindra University, Hyderabad**

Registration fees:

- IEEE SPS Student Members: ₹400/-
- Non IEEE SPS Student Members: ₹500/-
- IEEE SPS Professional Members: ₹800/-
- Non IEEE Professional Members: ₹1000/-

Last Date for Registration
4th Nov, 2024
