MA (Education) Admission Notification (Semester starting in August, 2025)

Mahindra University, notified by the Government of Telangana vide Telangana Ordinance No. 1 of 2020 dated 20th May 2020, announces admission into its 3rd Batch of **MA (Education) Program** in the Semester starting in Aug, 2025. The MA Education program will be offered by Indira Mahindra School of Education (IMSE), Mahindra University.

IMSE is committed to prepare students interested in Education to build their careers and become the next generation of professionals and leaders.

The **IMSE** has been offering PhD program in Educational Studies since its inception. The School is geared up to admit 3rd batch of students into M.A. in Education starting Aug'25. These courses are designed to open up windows of opportunities in the development sector, teaching, research, consultancies and education policy and practice think-tanks. The School with a team of world class faculty trained in reputed universities in India and abroad with excellent teaching and research experience strives to cater to the needs of aspiring students and matching the demands of the fast-growing education sector.

The **IMSE** has the advantage of being located in a multi-disciplinary, multi-cultural and a vibrant residential campus environment. The School is inter-disciplinary in nature and offers specializations rooted in multi-disciplinary training and sectoral peculiarities within the field of Education. With a commitment to inculcate critical thinking and encouraging professional growth of students, the School envisions to be a centre for imparting quality education and striving for excellence.

Mahindra University is committed to the vision of imparting quality education. Our objective is to ensure that the University gives students a proper foundation for their professional careers and a clear pathway for personal growth through encouragement and mentoring by our esteemed faculty. As a University we are committed to growing as an institution, which is committed to playing a significant global role in teaching and research in the areas of science and technology, liberal arts, education, law and management.
